Atlanta, Ga.

Assistant Manager: Computer Hardware & Software and Mobile Device Technician

- ♦ Lead a team of four technicians in computer and mobile repair all to meet the needs and expectations of our customers
- ♦ Manage employee scheduling, budgeting and place orders for products and parts to ensure we are stocked
- ♦ Train new employees in computer, hardware, software and mobile device repair and delivering exceptional service
- ♦ Store location is the highest rated in customer satisfaction on social media, among all other store locations

June '15 -- Present

Good Samaritan Foundation, Haiti Mission

Atlanta, Ga.

- ♦ Managed donor relations and outreach, providing consistent updates about the sponsored children and programs and gathered details for a monthly newsletter
- ♦ Liaise with US mission teams that serve with GSF to coordinate trip details and programs with GSF colleagues in Haiti

July '14 – June '15

Bridge to Haiti (SUNY Broome & Binghamton University)

Computer Lab Supervisor and Technician

- ♦ Supervised the Bridge to Haiti program to bring technology and Internet access to Haiti's poor
- ♦ Managed the day-to-day operations of two computer labs in Cite Soleil and Grande Saline, Haiti
- ♦ Hired the teachers for the labs and managed the payroll from the university to the teachers
- ♦ Coordinated with the university on the curriculum, including translating it from English to Haitian Creole
- ♦ Managed all the technical aspects of the labs – installing the operating systems and repairs
- ♦ Provided reports to the university on the number of students served, lessons taught, and student projects completed

Jan. '13–June '15

Association of Interpreters

Founder and Manager

- ♦ Established the organization to serve the missionary teams from around the world who visit and serve in Haiti
- ♦ Managed 180 interpreters who spoke various languages and worked with the mission teams on service projects
- ♦ Led meetings with the interpreters to discuss upcoming jobs and logistics to meet the needs of our clients
- ♦ Liaised with the mission teams and collected feedback about working with my interpreters to improve our services
- ♦ Managed the payroll to ensure interpreters were paid on time and according to the hours they worked

January '14 – June '15

PALL Corporation (New York)

Supervisor and Operator

- ♦ Managed a water filtration system that brought clean water to a community of 5,000 people
- ♦ Translated the operating manual and training materials from English to Haitian Creole
- ♦ Trained the day-to-day operators on all the logistics to run the system on a daily basis
- ♦ Supervised the system's functionality and conducted any necessary repairs with the PALL Corporation
- ♦ Completed monthly reports for the PALL corporation on the system's functionality and effectiveness

Sept. '11 – Nov. '13
